

Kasgro keeps growing!

Giving you the most industry options for your oversized rail moves.

We're adding 8-axle FD's, 8-axle FM's, 12-axle FD's, 16-axle FD's, 20-axle FD's and SIX 24-axle Railcars!

Red 'n Ready!®

"We are dedicated to providing you with the highest quality product available in the industry. We thank you for the confidence you have had in Kasgro over the past several years and we are honored for the opportunity to serve you."

Kasgro Rail

- The demand for all heavy-duty railcars is unprecedented.
- Kasgro started 2025 with (500) railcars.
- Our goal is to not only provide railcars on Use Agreements but also have free runners available for single use.
- We are growing our fleet as quickly as possible.

Kasgro Rail – New Additions Cont'd

2028 - 2029

- 24-axle FDs
- 24-axle Schnabel railcars
- Additional 8-axle, 12-axle, and 16-axle railcars as needed.

Kasgro Rail – Repairs

- Kasgro is committed to maintaining and repairing the largest up to date fleet of railcars.
- We repair and maintain our railcars with 16-axles or more and heavy-repairs at our New Castle, PA facility.
- Kasgro has engaged with several repair facilities around the country, including our friends from TTX, for common repairs or recambering.
- As of last week there were less than (10) KRL railcars awaiting repair.
